RE: Krista Cox

**Letter of Acceptance**

Krista Cox has been accepted, upon nonrefundable payment, as a candidate for our residential transitional program. She has completed an in-depth phone interview and is committed to learning how to stay sober and become independent.

Solutions of North Texas is a high accountability treatment program focused on two main goals; to learn how to stay sober and to become financially and emotionally independent. On this footing we believe Krista will do well and become sober and self-sufficient.

Solutions of North Texas fully cooperates with all judicial officials, supervision departments and officers in the best interest of our clients and their continued sobriety.

For questions regarding admissions you may contact Leslie Wisenbaker at 940-898-6202 or [leslie@sontx.org](mailto:leslie@sontx.org).

Please let me know if you have any questions.

Sincerely,

Brenda Garza
